

“Fixed Fee Divorce/Civil Partnership Dissolution”

£599 plus vat and Court fees.

Gill Akaster LLP is pleased to announce the launch of a new Fixed Fee scheme for Divorce. With rising costs against an ever tightening budget, we appreciate that legal bills at such a stressful time are a huge concern for many people. This is why we in the family team at Gill Akaster wish to ensure not only complete transparency in relation to legal fees relating to the resolution of your legal issues, but also enable you to budget.

The above fee will cover your initial meeting with one of our specialist lawyers, the preparation and issue of the petition, obtaining both Decree Nisi and Absolute and reporting to you throughout.

It will not cover advice and assistance in relation to Financial Issues or disputes in relation to Children. A full estimate in relation to likely costs for finance and children will be provided, if applicable.
